

# Supporting your community journey to Net Zero

SDGs supported by the Council

## Killyleagh Community Association

With support from multiple grant programmes, the Community Association has installed new litter bins and created planted areas for pollinators as part of a wider anti-litter and civic pride campaign in Killyleagh and Shrigley.

The group of volunteers meet regularly to litter pick and tend to gardening projects, all of which brings the group together for fun and rewarding work, helping to adopt a very positive mental outlook on life. They've received many compliments about how good Killyleagh looks from visitors and on their Facebook page. It has helped bring about a multiplier effect of more people wanting to be involved in more projects. They now have a Clean Team, Green Team and Events Team.

## Live Here Love Here Small Grants Scheme

8 projects delivered **£13,000** amount awarded by the Council

## Marine Capital Grants

4 project delivered **£11,158** amount awarded
